Information Disclosure Statement PTO-1449 (Modified)

The identification of any reference is not intended to be, and should not be understood as being, an admission that such publication, in act, constitutes "prior at" within the meaning of applicable law since, for example, a given reference may have a later effective date than first seems apparent or the reference may have an effective date than first seems apparent or the reference may have an effective date than first seems apparent or the reference may have an effective date which can be antedated. The "prior art" status of any reference is a matter to be resolved during prosecution.
